

Intent to apply or support form

International Academy for Culture, Arts, Science and Technology Charter School (CAST) A 9-12 public high school proposed to be open in 2022.

The International Academy for Culture, Arts, Science and Technology (CAST) Charter School with use of innovative curriculum empowers students with the academic, social and intellectual skills to successfully complete college. CAST welcomes students from all paths of life to help them flourish and create a vibrant, multicultural community. Our purpose is to develop individual talents, become lifelong learners and successful in personal and professional life. We get actively involved in local community and connect with students from other countries to better know and understand each other.
