International Academy for Culture, Arts, Science and Technology Charter School (CAST) Is a 9-12 grades public high school proposed to be open in 2022.

CAST with use of innovative curriculum empowers students with the academic and intellectual skills to successfully complete college. CAST welcomes students from all paths of life to help them flourish and create a vibrant, multicultural school community. Our purpose is to develop students' individual talents, help become lifelong learners and successful in personal and professional adult life. Our students get actively involved in local community and connect with students from other countries to better understand each other. Visit us at <https://sitenf.org/cast-school/>.
